

SMARTER REVENUE MANAGEMENT. GREATER VISIBILITY AND CONTROL.

The process of managing affiliate revenue spans many departments and functional groups. Medea brings key stakeholders together to manage distribution sales, process all billing and collections and provide critical management reporting for all your network services. Including both professional support services and unrivaled expertise, Medea is the proven solution of choice for more than 400 Pay TV networks worldwide.

### MEDEA'S SINGLE SOLUTION BENEFITS:

- Sell content and expand distribution strategically, with complete visibility into your past and present contracts and performance
- Automate deal and contract approvals, affiliate launches, subscriber entry, reconciliation and receivable collection and optimization
- Enhance your insights with 150+ leading reporting metrics and templates
- Budget and forecast with your most accurate historical foundation

**"It's a one stop solution—billing, collections, cash, operations—all under one roof. One-stop shop. 100% recommend."** — *Steve Grau, NBCUniversal*

### THE VALUE ADDED WITH MEDEA:

- Exceptional automation empowers your team with time and insights to develop exceptional strategies
- Complete centralization and optimization of your entire portfolio provides the most accurate performance data possible for your business
- View and manage your multinational operations cohesively
- Ensure payment is received for every authorized signal

**"A great product that stays current with industry standards and challenges."** — *Ken Gladson, Meredith*
